Safety Helmet/Horseback Riding Release Waiver

It is statistically clear that there are certain inherent dangers associated with horseback riding. One of those dangers is the risk of suffering serious head injuries should the rider fall or be thrown from his/her horse. It is therefore

the policy of Double H Arena, Cody Haugh, Marissa Wallace, WI NBHA, WI 00, 01, 02, 03, & 04, IBRA and their members and directors, that safety helmets should be worn at all times when riders are mounted.

****NOTICE:** A person who is engaged for compensation in the rental of equine equipment or tack or in the instruction of a person riding or driving of an equine is not liable for the injury or death of a person involved in equine activities resulting from the inherent risks of equine activities, as defined in section 895.481 (1) (e) of the Wisconsin Statutes.

I hereby have entered this horse show at my own risk, subject to all rules and regulations at this event. I further agree in case of injury or damage to myself, persons, horses, or property, Dave Taysom Arena, WI NBHA, WI 00, 01, 02, 03, & 04, IBRA or their members and directors are not held responsible and will make no claims against said WI NBHA, WI 00, 01, 02, 03, & 04, IBRA or their members and directors. I also understand that the use of riding helmets is recommended. In addition, the undersigned assumes the unavoidable risks inherent in all horse-related activities, including but not limited to bodily injury and physical harm to horse, rider, spectator, and property. "Inherent risks of equine activities" shall mean: those dangers or conditions, which are an integral part of equine activities, including, but not limited to:

- The propensity of any equine to behave in ways that may result in injury, harm or death to a person(s) on or around them and/or damage to property in their vicinity;
- The unpredictability of an equine's reaction to such things as sounds, sudden movement, and unfamiliar objects, persons, or other animals;
- Certain hazards such as surface and subsurface objects;
- Collisions with other equines, animals, people, and objects;
- The potential of a participant to act in a negligent manner that may contribute to injury to the participant or others, such as failing to maintain control over the equine or to act within his or her ability.
